

MRinRT 2026

Status, Challenges and Opportunities

Preliminary programme

Wednesday 17.6.2026

8.00-8.45: Opening and Welcome

8.45-9.30: Keynote: The Clinical Evidence for MRI in Radiotherapy

10.00-11.15: **Clinical trials** (Invited + Proffered papers 1)

11.30-12.45: **State of the art offline MRI-guided solutions** (Invited + Proffered paper 2)

12.45-13.45: Lunch

13.45-15.00: **In-room MRI-guided RT** (Invited + Proffered paper 3)

15.15-16.30: **Workflow improvements** (Invited + Proffered papers 4)

16.45-18.00: **Young investigator award presentations**

18.30- : Social event and symposium dinner

Thursday 18.6.2026

8.30-9.45: **MRI for Biological Guidance in Radiotherapy** (Invited, joint ISMRM session)

10.00-11.15: **Quantitative MRI 1: Clinical and Physics Applications** (Invited + proffered papers 5 + Audience and panel discussion)

11.30-12.45: **General Advancements in MRI** (Invited + proffered papers 6) (joint ISMRM)

12.45-13.45: Lunch

13.45-15.00: **Multidisciplinary collaboration in MRI based radiotherapy** (Invited + proffered papers 5 + Audience and panel discussion) (joint ISMRM)

15.15-16.30: **Contrast agents and novel tissue contrast** (Invited + proffered papers 7)

16.45-17.15: **Vendor updates / user experiences**

17.30-18.30: **Clinical trials 2** (Proffered papers 8 + 2 min poster pitches)

18.30-20.00: Poster viewing and tapas

Friday 19.6.2026

8.30-9.45: **Quality Assurance and Image Quality** (Invited + proffered papers 9)

10.00-11.15: **Quantitative MRI 2: Emerging Systems and Low-field Solutions** (Invited + Proffered papers 10)

11.30-12.30: Young investigator awards and closing remarks

12.30 : Lunch boxes and adjourn
